Kidney Trouble Overcome

I have been a sufferer for years with kidney and bladder trouble, and took al-most everything a drug store contained without obtaining any benefit.

I suffered so that I became utterly discouraged, as I could not sleep, was always dizzy and had a headache all the time. I saw one of your advertisements, and as a last resort decided to try your swamp-Root. I am now taking the third bottle, and feel like a new woman, sleep well and have no pains whatever.

I strongly advise all sufferers to take the only real cure for kidney and bladder trouble. Dr. Kilmer's Swamp-Root was a God-send to me.
